Swami Vivekananda once opined that "truth can be stated in the thousand different ways, yet each one can be true" Infact education of a person can help him discover that truth.

The noble task of imparting this education that enables formation of a sound character, increases the strength of mind and intellect is being performed since the last 33 years by Kalinagar Mahavidyalaya.

Our prospectus thus unfurls gradually the story of our achievements and failures down the memory lane in the backdrop of its adverse natural setting.

Kalinagar Mahavidyalaya

ABOUT THE COLLEGE

Founded in 1985 on the first day of the month of May in one of the remote island of Sundarban, now a world heritage site, Kalinagar Mahavidyalaya stood as the sole torch bearer of higher education among the local tribals, caste Hindus and minorities. Riziculture and Pisciculture in the basin of river 'Betni' are the primary occupations of most of the poverty stricken families, especially after the devastating AILA cyclone and also first generation learners.

Today as the college enters its 33rd year, it looks back to a nostalgic past. Starting with only 47 students, it has traversed a long way. Struggling against all odds, both natural and material, persisting even today the college tries to prepare itself for a challenging future.

Formerly affiliated to the University of Calcutta but now under the West Bengal State University, Barasat, this Government Aided college has received both 2f & 12b affiliation from the University Grants Commission.

The college now has about 1500 students, 9 Assistant Professors (of whom 1 serves as the Teacher-in-Charge) and 1 librarian. Besides, there are several contractual whole time, part time and guest teachers. The total number of regular and casual non-teaching staff are 9 and 16 respectively.

Since inception the number of departments was 6, at present the number has increased to 10 (Honours in English, Bengali, Sanskrit, History, Geography, Education and Philosophy; General course in Political Science, Geography, Economics and Computer Science). A new subject Physical Education as an elective subject has been introduced for Arts stream.

With the financial assistance of the University Grants Commission during each Plan Period and State Government several attempts for the improvement of the infrastructure of the college has been made such as:

- 1) Remedial coaching for students lagging behind in their general studies.
- 2) Coaching classes for School Service Examination Training, Entry-in-Service Scheme for unemployed, under privileged students and local youth.
- 3) Installation of Aquaguards and water purifiers and sub- marshal pump for purified drinking water. Generators(2) for enabling undisturbed continuation of regular activities in case of long hours of power cut.
- 4) A rich library with books and journals, containing 12000 books (approx).
- 5) For the use of office, library and Geography & Computer Science laboratories several computers have been purchased and installed with latest configurations.
- 6) To ensure the security of the campus a boundary wall has been constructed.
- 7) Installation of CC Cameras to ensure security of the campus.
- 8) The college has a big play ground within a vast campus with an area measuring 14.54 acres.
- 9) Both the laboratories Geography & Computer Science are well equipped with such modern equipments such as LCD projectors, arrangement for GSI training and the like.
- 10) A virtual classroom with all amenities for providing audio-visual transmission of knowledge.

Co-curricular and extra-curricular activities such as games and sports, celebration of special calendar days, competitions, social, picnics, excursions and NSS activities facilitating the process of creative and critical thinking are also simultaneously organised besides regular class room teaching.

The dedication and commitment of the college Governing Body, faculty and the supporting staff in their effort to attain this educational goal is to be applauded.

Vision :

- To provide quality education to students irrespective of caste, religion & economic status.
- Academic calendar prepared to ensure effective implementation of the curriculum.
- Online admission system implemented for ensuring transparency in admission process.
- Prospectus made for institutional index.
- Remedial classes for academically weak students.
- Mentoring system for students to minimize drop out through personal counseling.
- Computerisation of the accounts section.
- Encourage students to involve in National Service Scheme (NSS) and social & cultural activities of the college.

Mission :

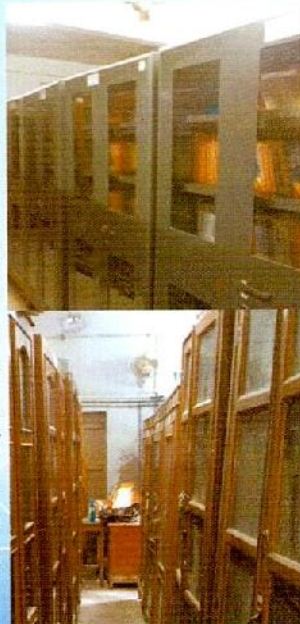

- To ensure and sustain quality in education.
- Organizing of national/International seminars/conferences.
- Organizing departmental seminars in every academic year.
- Encourage students to develop their creative writing.
- Publication of research journals every year.
- Promoting teaching learning through project work.
- Supporting coaching facilities for different state/national level exam. like NET / SET.

FACILITIES**Digital Class Room :**

Our college provides a well equipped digital class room with laptop, LCD projector, smart board and other necessary electronic equipments. These facilities are always available for the students for their project presentation.

Library :

Library is the heart of any educational institution. Library has been existing in our college since the very birth of the college. Having started with a few books and journals, it is now enriched with more than sixteen thousand books for UG departments, informative journals, such as 'Desh' and some newspapers. Books of sundry types, like syllabus oriented reference, general knowledge, research oriented, lexicons of different languages are purchased from UGC grants as well as state government allotments. The college library is open to members of the teaching staff and students from 10:00 a.m. to 4:00 p.m. and each student has the facility of borrowing books from the library for a certain period of time. In order to accommodate both the stack and the readers the college has constructed a new library building from the grant received from the UGC XII Plan.

Laboratories :

In parity with the syllabus framed by West Bengal State University, the department of Geography of the college has a well equipped laboratory with computer with recent configuration and other necessary instruments to cater the requirements of students both of the Honours and General courses for their practical classes.

Equally the Computer Science laboratory of the college is well equipped with sophisticated computer system, software, printers and internet facilities.

The students are taught computer assembling, operating system, installation of application, software installation, Microsoft office package and SRL by the well trained computer teachers who enable the students to prepare themselves for vocational system of education too.

Hostel :

Our Mahavidyalaya is offering hostel facility for students of distant places on the basis of merit, Since the inception of our college, the hostel has been established with approximately forty seats for boys. Applications are granted on the basis of distance and merit. The boarders receive stipends from Government that enables them to bear the cost of their studies and boarding.

At present condition of the Boys' hostel is dangerous so the college authority has decided to stop hostel admission for this year 2018-2019. At the same time initiative for the construction of a new one is in process.

There is a Girls Hostel, within the college campus, constructed by the Central Government for the scheduled castes and tribes. So the girl students of our college avail it for themselves and receive financial assistance from Government for their sustenance.

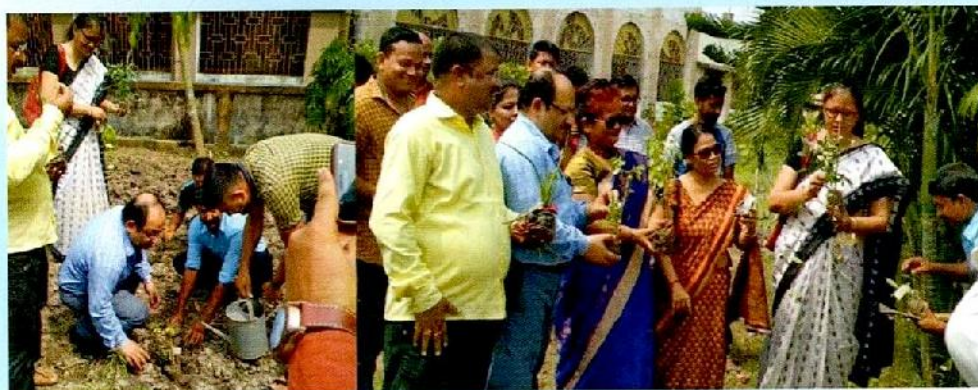

Play Ground:

There is a large play ground full of green grass and encircled by green trees where our students play during their spare time. Sports and games of sundry types are organised annually by the Students' Union of the college.

Herbal Garden :

The College is trying to build up a eco-friendly ambience within the campus besides planting trees of different species recently a herbal garden that was inaugurated by the Hon'ble Vice Chancellor of West Bengal State University Prof. Basab Chowdhuri on 14th June 2018. Several plants such as Tulsi, Aloe vera, Kalmegh, Anantamul etc. are available here.

Multipurpose Cyclone Centre :

In order to rescue the local people from recurrent natural calamity a Multipurpose Cyclone Centre has been constructed with in the campus with the financial assistance from Prime Minister National Relief Fund. Besides accomodating the disaster stricken local inhabitants in normal times the building is used for organising seminars and symposiums and other cultural programmes maintained by the Block Development Office of the constituency.

Safe Drinking Water :

The college is offering 24 x 7 safe and cold drinking water for the students, studying in our college as well as the staff and faculty members.

National Service Scheme :

National Service Scheme is sponsored by the Department of Youth, Government of India. It introduces the outer world to students beyond regular classroom lectures. It plays a significant role in character formation of students and in serving various sectors of society. In our college too we have a unit of 100 volunteer students who have participated in a number of special programmes since its inception. In recent past (2014-2015 session) our college has organized extempore and quiz competitions on National Harmony and the students have been awarded accordingly. Apart from this the N.S.S. unit of our college organized a "Tree Plantation Program" in the college premises in collaboration with one NGO. Both teachers and students of this N.S.S unit are always active enough to make the students conscious about their social commitments especially in this rural locale.

The N.S.S unit of our college has been organizing various awareness oriented programmes, like AIDS awareness programmes, Dengue and Malaria prevention programmes, Hand wash programme etc and the like. At present the unit is being run by Subrata Biswas, Asst. Prof. in History who is the NSS programme officer.

Career and counseling cell :

A career and counseling cell at Kalinagar Mahavidyalaya has been established on its own interest for offering career counseling to students and guiding the young minds by helping them to understand their strength. The college imparts training for competitive examinations, training in basic communication skills, training in group discussion and interview skill etc. It also offers the following service to students :

- Advice on how to develop a career plan.
- Advice on interview and job skills.
- Provide students with internet access and books relating to career options.
- Students are also provided counseling to explore their potentialities and motivate them about their employment prospects.
- Advice on how to cope with the problems of life.

Convenors : Dr. Priyanka Dutta, Sampa Adhya

Anti Sexual Harassment Cell :

As per the guidelines of UGC, NAAC and the Supreme Court an Anti Sexual Harassment Cell has been established by Kalinagar Mahavidyalaya to provide a healthy and congenial atmosphere to the staff and students of the college. The cell was constituted to meet the three basic objectives :

- To develop the guidelines and norms for a policy against sexual harassment.
- To work out details for the implementation of the policy.
- To prepare a detailed plan of action, both short and long term.

Convenor : Dr. Priyanka Dutta (8777844837)

Anti Ragging Cell :

Ragging in all its forms is totally banned in Kalinagar Mahavidyalaya including its departments, constituent units, or its premises (academic, residential, sports, cafeteria, etc.) whether located within the campus or outside and in all means of transportation of students whether public or private. The College shall take strict action including but not limited to criminal proceeding and/or cancellation of admission against those found guilty of ragging and/or of abetting ragging and the burden of proof shall hereby lie on the perpetrator of alleged ragging and not on the victim. An offence of Ragging may be charged either on a written complaint by the affected or on independent finding of the Anti Ragging cell. You can register a complaint by directly contacting the chairman of Anti-ragging cell.

Convenor : Niladri Purkait (8609707002)

FUTURE PLAN

Located in a rural riverine terrain the institution besides imparting higher education to its students also caters to some social needs as well. Safe drinking water is provided to the local villages in times of draught condition during summer. The eco-friendly atmosphere provides a space for every villager to improve their health conditions. The local youth and children are offered enough space to develop their sports and skills. Besides often health awareness programmes are organized in liaison with the local health center and the like.

In future the college aims to initiate the following projects.....

- Construct a new building with all modern amenities .
- Construct a new Boys' hostel and an auditorium .
- Completion of the incomplete women's hostel.
- Total digitization of the college library.
- Construction of a gymnasium.
- Opening of new courses of study such as fisheries and agriculture.
- Development of skill based centers for students in liaison with the locality.

STUDENTS' ACTIVITIES

Students' Union :

Since the year 2003 Students' Union has been existing in our college. It works constructively in the congenial atmosphere of student-teacher relationship. Apart from diverse cultural activities, such as annual sports, cultural programmes, freshers welcome the students' union extends its cooperation in all administrative works. At present as per decision of the Governing Body of the college Sarojit Mandal, continues as the general secretary of the college.

From the desk of the General Secretary :

I extend my heartiest welcome to all the new students taking admission in this much revered institution of higher learning during the session 2018-2019. I also extend my thanks for the cooperation I have received from my respected teachers and the non-teaching office staff of the college. Our sole aim, my friends, shall positively be the overall development of our Kalinagar Mahavidyalaya – situated in a remote island. Let us take the pledge today not only to become good students but good citizen in the near future. Our motto shall therefore not to promote brutality but creativity, not jealousy but fraternity.

Our State Government has created a congenial atmosphere for the development of these qualities within us in the form of 'ONLINE' admission– a uniform impartial admission process throughout, such financial support programmes as 'Kanyashree Prakalpa' and the like. Friends, let us cherish and nurture all the good habits that our institution is going to inculcate within us during the coming three years.

Social Functions :

The Students' Union of our college organizes a Fresher's welcome programme and an annual cultural programme for the recreation of our students along with regular study.

Annual Sports : Every year the college Students' Union organizes annual sports for the students of current academic session. The annual sports offers various events for both the students and teaching and non-teaching staffs.

Wall Magazine :

The students are also given the opportunity to cultivate their creative power as the college along with the help of its teachers is in a practice of publishing wall Magazine every year.

Excursions :

The departments of Geography and Education arrange excursions for their students every year as per their curricula.
