From the desk of the Teacher-in-Charge

2021-2022 is extremely challenging for us especially the new students taking admission (first semester) in this 36 years old only centre of higher education in this distant island of Sandeshkhali (Sunderbans).

Combatting the threat of the global pandemic COVID-19, this new admittants of today shall have to pursue their studies online, appear for semesterial exams online - in fact they are to accommodate themselves with a digitized mode of learning in spite of their topographical constraints.

But I am sure that this unprecedented challenge shall strengthen my new students and transform them into challenge - resisting youth of tomorrow to lead this institution to the path of success.

Wishing you good health and a bright future (Never forget to abide by the strict observation of COVID-19 protocol).

KALINAGAR MAHAVIDYALAYA

ABOUT THE COLLEGE

Kalinagar Mahavidyalaya was founded in 1985 on the first day of the month of May, in one of the remote islands of the Sunderban. Now a world heritage site, the college stood as the sole torch bearer of higher education among the local tribals, caste Hindus and minorities. Riziculture & Pisciculture in the river 'Betni' is the primary occupation for most of the poverty stricken families of the island, especially after the devastating AILA cyclone.

Today as the college enters its 36th year; it looks back to a nostalgic past starting with only 47 students often hailing from first generation learner families till date, it has traversed a long way. Struggling against all odds, both natural and material, persisting even today the college tries to prepare itself for a challenging future.

Formerly the college was affiliated to the University of Calcutta, now it is under the West Bengal State University, Barasat. This Government Aided college has received both 2f & 12b affiliation from the University Grants Commission.

The college now has about 1600 students, 11 Assistant Professors, 1 Associate Professor (serves as the Teacher-in-Charge) and 1 Librarian. Besides there are 18 State Aided College Teachers. The total number of regular and casual non-teaching staffs are 9 and 17 respectively.

Since inception the number of departments was 6, at present the number has increased to 11 (Honours in English, Bengali, Sanskrit, History, Geography, Education and Philosophy; General course in Political Science, Geography, Economics, Computer Science and Physical Education).

With the financial assistance of the University Grants Commission (UGC) during each Plan Period and State Government several attempts towards the improvement of the infrastructure of the college has been made such as:

- Remedial coaching for students lagging behind in their general studies.
- Coaching classes for School Service Examination Training under Entry-In – Service Scheme for unemployed ex-students and local youth.
- Installation of Aquaguard and water purifier and sub-marshal pump for purified drinking water, Generator (2) for enabling undisturbed continuation of regular activities in case of long hours of power cut.
- A rich library with books and journals, containing 12,000 books (approx.).

- For the use of office, library and Geography and Computer Science laboratories several computers have been purchased and installed with latest configuration and internet connectivity.
- To ensure the security of the campus a boundary wall had been constructed.
- Installation of CC Cameras to ensure security of the campus.
- The college has a big play ground within a vast campus with an area measuring 14.54 acres.
- Both the laboratories Geography & Computer Science are well equipped with such modern equipments such as LCD projectors, arrangement for GSI training and the like.
- A virtual classroom (Smart Classroom) with all amenities for providing audio-visual transmission of knowledge.

Co-curricular and extra-curricular activities such as games and sports, celebration of special calendar days, competitions, social, picnics, excursions and NSS activities facilitating the process of creative and critical thinking are also simultaneously organized besides regular class room teaching.

The dedication and commitment of the college Governing Body, faculty and the supporting staff in their effort to attain this educational goal is to be applauded.

Smart Class Room

Our college provides a well-equipped digital class room with laptop, LCD projector, smart board and other necessary electronic equipment. These facilities are always available for the students for their project presentation.

Library

Library is always the heart of any institution. Library exists in our college since inception. Having started with a few books and journals, it is now enriched with more than 12,000 books for UG departments, informative journals, such as 'Desh' and some newspapers. Books of sundry types, like syllabus oriented reference, general knowledge, research oriented, lexicons of different languages are purchased from UGC grants as well as state government allotments.

The college library is open to members of the teaching staff and students from 10:00 a.m. to 4:00 p.m. and each student has the facility of borrowing books from the library for a certain period of time. In order to accommodate both the stack and the readers the college has constructed a new library building from the grant received from the UGC XII Plan.

Laboratories

In parity with the syllabus framed by West Bengal State University, the department of Geography of the college has a well-equipped laboratory with computer with recent configuration and other necessary instruments to cater the requirements of students both of the Honours and Pass courses for their practical classes.

Equally the computer science laboratory of the college is well equipped with sophisticated computer system, software, printers and internet facilities.

The students are taught computer assembling, operating system; installation, application,

Prospectus 2021

Kalinagar Mahavidyalaya

software installation, Microsoft office package and SRL by computer teachers who enable the students to prepare themselves for vocational system of education too.

Hostel

Our Mahavidyalaya is providing hostel facility from the remote parts of this island as elsewhere on the basis of merit. Since the inception of the college, the hostel had been established with approximately forty seats for boys. The criteria being distance and merit. The boarders receive stipends from Government that enables them to bear the cost of their studies and boarding.

At present the condition of the Boys' Hostel is dangerous so the college authority has stopped hostel admission for this year 2019-2020. At the same time initiative for the construction of a new one is in process. (A scheme amounting Rs. 3 crore under BJRCY of the Ministry of Social Justice has been applied through the BCW dept.)

There is a Central Girls' Hostel within the college campus for the scheduled castes and tribes. So, the girl students of our college avail it for themselves and receive financial assistance from Government for their sustenance.

Play Ground

There is a large playground full of green grass and encircled by green trees where our students play during their spare time. This ground is the venue of the practical class of the students of the Physical Education Department. Sports and games of sundry types are organized annually by the Students' Union of the college.

Multipurpose Cyclone Centre

In order to rescue the local people from recurrent natural calamity a Multipurpose Cyclone Centre has been constructed within the campus with the financial assistance from Prime Minister National Relief Fund. Besides accommodating the disaster stricken local inhabitants in normal times the building is used for organizing seminars

and symposiums and other cultural programmes maintained by the Block Development Office of Sandeshkhali 1.

Multigym

The college has received Rs. 3,00,000 from the Department of Youth and Sports Government of West Bengal for constructing a multigym for students and the staff.

National Service Scheme

National Service Scheme is sponsored by the Department of Youth, Government of India. It plays a significant role in character building of students serving various sectors of the society. In our college too we have a unit of 100 volunteer students who have participated in a number of special programmes every year. At present the N.S.S unit is being run by Subrata Biswas, N.S.S. Programme Officer.

STUDENTS' ACTIVITIES

Students' Union

Since the year 2003 Students' Union has been existing in our college. It works constructively in the congenial atmosphere of student-teacher relationship. Apart from diverse cultural activities, such as annual sports, cultural programmes, fresher's welcome the students' union extends its co-operation in all administrative works.

Stipends & Scholarships

Our State Government has created a congenial atmosphere for the overall development of quality education in the form of 'ONLINE' admission — a uniform impartial admission process throughout along with such financial support programmes as 'Kanyashree Prakalpa' and the like.

Convenor: Rahul Dev Biswas, Assistant Professor of Sanskrit

Social Functions

The Students' Union of our college as well as the college authority organizes a Freshers' Welcome/Orientation Programme and an Annual Social for the recreation of our students along with regular study.

Annual Sports

Every year the college Students' Union organizes annual sports for the students of current academic session. The annual sports offers various events for both the students and teaching and non-teaching staffs.

Wall Magazine

The students are also given the opportunity to cultivate their creative power as the college along with the help of its teachers is in a practice of publishing Wall Magazine every year.

Excursions

The departments of Geography and Education arrange excursions for their students every year as per their curricula.
