## **Report on Awareness Programme on Cancer Prevention**

In collaboration with the Roymoni Smriti Foundation, the Internal Quality Assurance Cell (IQAC) of Kalinagar Mahavidyalaya organized a significant Awareness Programme on Cancer Prevention. The seminar, held on 30th January 2023 at BEUP Building served as a valuable platform to educate and enlighten participants on crucial aspects of cancer prevention and early detection.

Dr. Shyam Sundar Mondal, a renowned independent researcher in the field of cancer, served as the keynote speaker. His expertise and contributions to cancer research added significant value to the programme. The seminar witnessed active participation from a diverse group of individuals, totaling 40 participants. Among them were student teachers and staff members of the college, creating a broad spectrum of engagement. Dr. Shyam Sundar Mondal addressed various aspects of cancer prevention, emphasizing the importance of lifestyle choices, early detection, and regular screenings. The seminar also delved into the latest advancements in cancer research. The programme included an interactive session, allowing participants to engage with Dr. Mondal, seek clarifications, and share their experiences and concerns related to cancer prevention.

The Awareness Programme on Cancer Prevention successfully achieved its goal of disseminating valuable information on cancer prevention strategies. Dr. Shyam Sundar Mondal's expertise and the interactive nature of the session contributed to an enriching experience for all participants.
