## **Report on Duare Sarkar Camp Visit by Kalinagar Mahavidyalaya**

On November 14, 2022, students and faculty members from Kalinagar Mahavidyalaya participated in a Duare Sarkar Camp organized by the Government at Kalinagar High School. The primary objective of the visit was to provide assistance to the local community in filling out various government forms, raise awareness about government schemes, and facilitate the application process for the West Bengal Student Credit Card. A total of 51 students, accompanied by two faculty members, actively participated in the Duare Sarkar Camp visit.

The students actively engaged with the local community by assisting them in filling out various government forms. The participants, through interactions and discussions, disseminated information about various government schemes aimed at improving the lives of the citizens. This helped in raising awareness and ensuring that eligible individuals could avail themselves of the benefits provided by these schemes.

As part of the camp, some students expressed interest in and applied for the West Bengal Student Credit Card. The application process was facilitated by the students with guidance from the faculty members, making higher education more accessible to deserving candidates.

The Duare Sarkar Camp visit proved to be a meaningful and impactful experience for both the students and the local community. The collaborative effort resulted in increased awareness about government initiatives and improved accessibility to essential services. The application for the West Bengal Student Credit Card indicated a positive response from the students, showcasing the potential long-term benefits for the community. Such initiatives contribute to the holistic development of both the college and the community it serves.
