Report of the Outreach Programme "SAKHAR PROTI: A SUPPORT TO COMMUNITY"

On January 12, 2023, the National Service Scheme (NSS) unit of Kalinagar Mahavidyalaya organized an impactful outreach programme titled "SAKHAR PROTI: A SUPPORT TO COMMUNITY." The primary objective was to provide support to the local community by distributing dresses of all kinds and essential student study materials such as pens, pencils, and exercise books. The event also encouraged people to contribute by donating items, creating a two-way channel for support within the community.

The NSS volunteers actively engaged in the distribution of dresses to the community members. The initiative aimed at addressing the clothing needs of individuals, especially those who may face economic challenges in acquiring adequate apparel. The distribution of pens, pencils, and exercise books aimed to support students in their academic endeavors.

The programme featured a unique model where people could both donate items and receive required things. This approach not only fostered a sense of community solidarity but also ensured that the support system was inclusive and reciprocal.

The "SAKHAR PROTI: A SUPPORT TO COMMUNITY" outreach programme had a positive and lasting impact on the local community. The dress and study material distributions provided immediate relief to individuals and families in need, while the two-way support system encouraged community members to actively participate in both giving and receiving assistance. The event also created a platform for social awareness and education, fostering a sense of community responsibility and unity. The NSS unit's efforts played a crucial role in building bridges between the college and the community, establishing a foundation for continued collaboration and support.
