Report: Online Skill Enhancement Programme on Data Management

Date: January 24, 2022
Organizer: Internal Quality Assurance Cell (IQAC), Kalinagar Mahavidyalaya
Instructor: Shri Debasish Mridha, Faculty of Computer Science, Kalinagar Mahavidyalaya
Attendance: 33 Students Present

On January 24, 2022, the Internal Quality Assurance Cell (IQAC) at Kalinagar Mahavidyalaya successfully conducted an online Skill Enhancement Programme focused on "Data Management." The programme aimed to equip students with essential knowledge and skills in handling and managing data effectively.

The session was conducted by Shri Debasish Mridha, a distinguished faculty member in the Computer Science department at Kalinagar Mahavidyalaya. He brought in his expertise and practical insights into the realm of data management, enriching the learning experience for the participants.

Key Topics Covered:

1. Introduction to Data Management Principles
2. Importance of Data Management in Various Sectors
3. Data Collection, Storage, and Retrieval Techniques
4. Data Cleaning and Preprocessing Methods
5. Data Analysis and Interpretation Strategies
6. Data Security and Privacy Measures

The online session followed a structured format, incorporating lectures, interactive discussions, and practical demonstrations. Participants were encouraged to engage actively, ask questions, and share their perspectives on the subject matter.

The online skill enhancement programme on Data Management organized by IQAC, Kalinagar Mahavidyalaya, served as a valuable platform for students to enhance their understanding and proficiency in managing data effectively. The initiative received positive feedback from participants, highlighting its relevance and significance in the context of evolving technological landscapes.

Overall, the programme contributed towards fulfilling the institution's commitment to promoting academic excellence and fostering holistic development among its students.
