FROM THE DESK OF THE TEACHER-IN-CHARGE

On behalf of Kalinagar Mahavidyalaya, I heartily welcome the new students taking admission (first semester) in this 38 years old only centre of higher education in this distant island of Sandeshkhali (Sunderbans).

Combatting the threat of the global pandemic COVID-19 since 2020, this new admittants of today are well acquainted with online study and examinations. In fact they have learnt to accommodate themselves with a digitized mode of learning in spite of their topographical constraints.

But I am sure that this unprecedented challenge shall strengthen my new students and transform them into challenge - resisting youth of tomorrow to lead this institution to the path of success.

Fortunately we have been able to return to our offline activities as before since the previous session.

Wishing you good health and a bright future. Never forget to abide by the strict observation of COVID-19 protocol still now.

Dr. Ishani Ghosh

Teacher-in-charge

KALINAGAR MAHAVIDYALAYA

FROM THE DESK OF IQAC

Internal Quality Assurance Cell of Kalinagar Mahavidyalaya, has begun its journey for upgraded academic ambience since May, 2015. There after several attempt have been made for NAAC accreditation. Now time has come with the supervision of our mentors we are on our way towards the accreditation process. Though cell was constituted in 2015, without proper guidance no major initiatives was taken for accreditation, but the committee formed for the session 2018-19 to 2022-23 has managed to initiate some attempts towards movements of achieving academic excellence. Thanks to our external members for sharing their valuable information and references that help us to conduct several multi-disciplinary programmes. During the present tenure as per previous committee tenure 2023-27, the college has managed to continue with our previous external experts along with some new members. Now time has come that we are going to face our first accreditation in the history of thirty-eight years old college.

IQAC, of Kalinagar Mahavidyalaya, has been monitoring all round performance of teachers, non-teaching staffs and students. The cell also monitors performance of different academic and administrative cells. The internal members of this cell are Heads of different departments, who are also Convenor/Coordinator of different academic and administrative committee & cells. So, all members have a clear idea of how to communicate others to solve the problem. Some Convenors were interchanged among committees according to their performance. IQAC also introduced certificate and add-on courses according to students' choice. Seminar/webinar/workshops was organized throughout each academic year by the different departments/cells. Community enrichment programme and skill- oriented programme were organized by the different organizations in collaboration with our college. Netaji Subhas Open University Study centre for post graduate students was opens for our students. Some research-oriented initiatives have been taken. International & National level multi-disciplinary workshop/seminar have been organised. Along with publication of multi-disciplinary research oriented books with ISBN and preparation, continuing for publication and processing with ISSN no.

IQAC, acknowledges all its stakeholders who have been redonned support in this long journey. It's our privilege to have your cooperation. Nest six months in this year is crucial for us as we have reached the final preparation of our accreditation. Besides regular class schedule it is a challenge for all stage of make own contribution which need extra effort in this final work plan. But we are very much hopeful that we shall succeed. We assured our stakeholders that this cell is always search for better academic opportunity for all.

Regards

Kalinagar Mahavidyalaya was founded in 1985 on the first day of the month of May, in one of the remote islands of the Sundarban. Now a world heritage site, the college stood as the sole torch bearer of higher education among the local tribals, caste Hindus and minorities. Riziculture & Pisciculture in the river 'Betni' is the primary occupation for most of the poverty stricken families of the island, especially after the devastating AILA cyclone.

Today as the college enters its 38th year; it looks back to a nostalgic past starting with only 47 students often hailing from first generation learner families till date, it has traversed a long way. Struggling against all odds, both natural and material, persisting even today the college tries to prepare itself for a challenging future.

ABOUT THE COLLEGE

Formerly the college was affiliated to the University of Calcutta, now it is under the West Bengal State University, Barasat. This Government Aided college has received both 2f & 12b affiliation from the University Grants Commission.

The college now has about 1030 students, 11 Assistant Professors, 1 Associate Professor (serves as the Teacher-in-Charge) and 1 Librarian. Besides there are 18 State Aided College Teachers. The total number of regular and management approved non-teaching staffs are 8 and 17 respectively.

Since inception the number of departments was 6, at present the number has increased to 11 (Honours in English, Bengali, Sanskrit, History, Geography, Education and Philosophy; General course in Political Science, Geography, Economics, Computer Science and Physical Education).

With the financial assistance of the University Grants Commission and the State Government (Department of Higher Education, Department of Tribal Affairs, Department of Sundarban Affairs, Public Health Engineering Department, MPLADS & BEUP grants) several attempts towards the improvement of the infrastructure of the college has been made such as:

- ❖ Installation of Aquaguard and water purifier and sub-marshall pump along with solar RO pump for purified drinking water
- ❖ Generator for enabling undisturbed continuation of regular activities in case of long hours of power cut.

- ❖ A rich library with books and journals, containing 13,000 books (approx.) along with e-resources Library Management Support System.
- ❖ For the use of office, library and Geography and Computer Science laboratories several computers have been purchased and installed with latest configuration and internet connectivity along with Wi-fi.
- ❖ Installation of CC Cameras to ensure security of the campus.
- ❖ The college has a big play ground within a vast campus with an area measuring 14.54 acres along with a multigym both for the students, staffs and local youth.
- ❖ Both the laboratories Geography & Computer Science are well equipped with such modern equipments such as LCD projectors, arrangement for GIS training and the like.
- ❖ A virtual classroom (Smart Classroom) with all amenities for providing audio-visual transmission of knowledge.
- ❖ A meeting room with all modern amenities.
- ❖ New academic and administrative building (Annexure) under construction.
- ❖ Repair and renovation of the old academic & administrative building along with renovation of electrification of the same.

Co-curricular and extra-curricular activities such as games and sports, celebration of special calendar days, competitions, Social, picnics, excursions and NSS activities facilitating the process of creative and critical thinking are also simultaneously organized besides regular class room teaching.

The dedication and commitment of the college Governing Body, faculty and the supporting staff in their effort to attain this educational goal is to be applauded.

Mission

The institutional governance and leadership is student-centric-multidisciplinary subjects offered for holistic development of the individual, skill development course with scope of employability, awareness programmes on Electoral Literacy, teaching of subjects with scope for studying cross-cutting issues as gender equity , women empowerment, gender justice and sensitization. Sensitization programmes for social sensitization in terms of their educational and financial rights. Emphasis on teaching -learning, training, research and co-curricular and extra-curricular activities . Cultural programmes to commemorate days of national and international importance are observed .For sensitization of students, staff and local community towards constitutional obligations and duties and responsibilities of citizens are accomplished through awareness programmes and camps .Greenery and eco-friendly huge campus , an unique position in the domain of social sensitization .

Vision

The establishment of Kalinagar Mahavidyalaya in a rural riverine remote island was indeed a milestone for the marginal community islanders often first generation learners. Despite the remoteness and inaccessibility along with nature's devastating role, the academic scenario is mostly dominated by SC ,ST and Minority students- girls students numerically surpassing the boys. Hence our vision since inception is conditioned by its unique physiographic location with an aim to ameliorate the academic proficiency of the students. Students are our primary focus and through them the community at large. Next to community development in its broader context comes in the vision of Women empowerment and Gender equity in the context of the Sundarban region. To create an inclusive environment-tolerance and harmony towards cultural, regional, linguistic, communal socio-economic diversity. Sensitization of students and staff and local community towards constitutional obligations as responsible citizens. Topographical constraints have brought the college very close to the neighbourhood. Hence community development is the keyword for every individual of the institution. Preservation of flora and fauna of the Sundarbans along with preservation of its indigenous unique culture. To emerge as a pioneer institution amidst the unique topography of the land.

Cultural Activities

Located in a rural riverine terrain the institution besides imparting higher education to its students also caters to some social needs as well. Safe drinking water is provided to the local villagers in times of draught condition during summer. The eco-friendly atmosphere provides a space for every villager to improve their health conditions. The local youth and children are offered enough space to develop their sports and skills. Besides often health awareness programmes are organized in liaison with the local health centres and the like.

Curricular Components of the Undergraduate Programme

In accordance with NEP Curriculum Framework & Credit Framework 2020 the undergraduate programmes governed by this Advisory contain the following course components:

Major and Minor disciplines

Major discipline is the discipline or subject of main focus and the degree will be awarded in that discipline. Students should secure the prescribed number of credits (about 50% of total credits) through core courses in the major discipline.

Minor discipline helps a student to gain a broader understanding beyond the major discipline. For example, if a student pursuing an Economics major obtains a minimum of [18] credits from a bunch of courses in Statistics, then the student will be awarded B.A. degree in Economics with a Minor in Statistics.

In addition to major and minor disciplines, a student admitted in the 4- year Undergraduate programme (Hons./Hons. with research) has to take the following courses as shown in Table 1 & Table 2.

Multidisciplinary Course (MDC)

All UG students are required to undergo 3 introductory-level courses relating to any of the broad disciplines given below. These courses are intended to broaden the intellectual experience and form part of liberal arts and science education. Students are not allowed to choose or repeat courses already undergone at the higher secondary level (12th class) in the proposed major and minor stream under this category.

The university will provide a list of courses under the 5 categories mentioned in the NEP document. Students will be asked to choose 3 different MDCs for 3 semesters.

Categories Multidisciplinary Courses from the following Disciplines

- | | |
|---|--|
| 1 | Life Sciences/ Chemistry/ Physics |
| 2 | Mathematics/ Statistics/Computer Application/Economics |
| 3 | Library & Information/Journalism/Mass Media & Communication |
| 4 | Travel & Tourism/Commerce/ Management/ Advertisement & Sales Promotion |
| 5 | Defence Studies/Anthropology/Psychology/Human Rights/ Sociology/Political Science/Philosophy/History |

Ability Enhancement Course (AEC)

Students are required to achieve competency in a modern Indian language and in the English language with special emphasis on language and communication

skills. These courses aim at enabling the students to acquire and demonstrate the core linguistics skills, including critical reading and expository and academic writing skills, that help students articulate their arguments and present their thinking clearly and coherently.

Skill Enhancement Course

These courses are aimed at imparting practical skills, hands-on-training, soft skills to enhance the employability of the students.

Each of the AEC and SEC courses shall carry 3 credits. Students are required to choose three SEC courses from a pool of courses in their 4th, 5th and 6th semester of study. In AEC, they have to study three courses (each of 3 credits) of either English or modern Indian language (MIL) in their 1st, 2nd and 3rd semesters of study.

Value Addition Courses (VAC)

These are courses that will help develop all capacities of human beings – intellectual, aesthetic, social, physical, emotional, and moral in an integrated manner. Each of these courses carries 3 credits. The colleges will choose one out of the three VACs offered by the university as mentioned hereunder.

- (a) Environmental Studies
- (b) Introduction to Cyber Security
- (c) Value of Yoga and Meditation in Life

Students will be required to pursue or study two value-added courses (VAC) each of 3 credits in their 1st and 2nd semester.

Internship

A course requiring students to participate in a professional activity or work experience, or cooperative educational activity with an entity external to the educational institution, normally under the supervision of an expert of the given external entity. A key aspect of the internship is induction into actual work situations. Internships involve working with local industry, government or private organizations, business organizations, artists, crafts persons, and similar entities to provide opportunities for students to actively engage in on- site experiential learning.

The student has the option to complete a 2-credit summer internship in a lab, industrial organization, R & D lab, or through community engagement, NSS, NCC as organized by the college. The student must complete a 2-credit summer internship by his/her 5th semester of study.

Final year Research Project / Dissertation

A student selected for pursuing 4-year Honours with Research programme is required to complete a research project and submit a dissertation to the University for examination and evaluation in the 8th semester. This research project/dissertation work carries 15 credits.

Awarding UG Degrees

4-year UG Degree (Honours)

A four-year UG Honours degree in the major discipline will be awarded to those who complete a four-year degree programme with 180 credits and have satisfied the credit requirements as given in Table 1. Candidates who intend to continue in the 4-year UG programme have two options.

The candidates who have not secured 75% marks in each of the Semester (out of the first six semesters) over the period of first three years of his/her study are eligible for obtaining a Bachelor degree (Honours) in his/her major discipline. Such candidates must secure 15 additional credits in his/her major (Core) paper to be awarded a Bachelor degree (Honours) in his/her major discipline. i.e., Candidates must secure **105 credits** in his/her major (Core) discipline out of the total 180 credits to obtain a Bachelor degree (Honours) in his/her major discipline. (See Table 1)

The candidates who have secured 75% marks in each of the Semester (out of the first six semesters) over the period of first three years of his/her study are eligible for obtaining a Bachelor degree (Honours with Research) in his/her major discipline. Such candidates must secure **90 credits** out of the total credits of 180 from discipline-specific major courses (Table 1) and also needs to secure 15 credits through a Research project to be awarded a Bachelor degree (Honours with Research) in his/her major discipline. They should do a research project or dissertation under the guidance of a faculty member of that college. The research project/dissertation shall be in the Major discipline. Such candidates must submit a Thesis/Dissertation to the University for evaluation followed by a Viva-Voce examination. The concerned candidate **must score 150** or above out of the 300 marks allotted for Research/Dissertation work to pass or qualify for being awarded the degree of UG Honours with research in his/her major discipline.

3-year UG Degree with Major

A student **admitted in a 4 years Honours programme** may exit after the 3rd year after completing 6 semesters (135 credits, **70 credits from Major** and **30 credits from Minors**) with 3-year UG degree with a Major. Such a student will also have the option to rejoin within seven years and complete the course.

3-year Multidisciplinary UG Degree

A student may also opt for a 3-year multidisciplinary UG degree by securing a total credit of 125 (See Table 3) with 30 credits from each of the three disciplines.

The level of the three core courses for all three disciplines will be the same.

**** Conditions to be met by colleges offering a 4 year UG degree (Honours with Research) in a Major discipline:**

The departments of the college offering a 4-year UG degree (Honours with research) must have the required infrastructure such as adequate library facility,

access to internet, access to journals, computer lab and software, laboratory facilities to carry out experimental research work.

The concerned department of the college must have at least two permanent faculty members who are recognized as PhD supervisors as per NEP 2020 guideline.

If a student becomes eligible for pursuing Honours with research in a college that lacks required infrastructure and eligible PhD supervisors, he/she may take transfer to another college, which satisfies the above conditions for offering Honours with research in the 7th semester depending on availability of seats.

Credit Hours for Different Types of Courses

- The workload relating to a course is measured in terms of credit hours. A credit is a unit by which the coursework is measured. It determines the number of hours of instruction required per week over the duration of a semester (minimum 15 weeks).
- Each course may have only a lecture component or a lecture and tutorial component or a lecture and practicum component or a lecture, tutorial, and practicum component, or only practicum component. For example, a three- credit lecture course in a semester means three one-hour lectures per week with each one-hour lecture counted as one credit. In a semester of 15 weeks duration, a three-credit lecture course is equivalent to 45 hours of teaching.
- One credit for tutorial work means one hour of engagement per week. In a semester of 15 weeks duration, a one-credit tutorial in a course is equivalent to 15 hours of engagement.
- A one-credit course in practicum or lab work, community engagement and services, and fieldwork in a semester mean two-hour engagement per week. In a semester of 15 weeks duration, a one-credit practicum in a course is equivalent to 30 hours of engagement.
- A one-credit of Seminar or Internship or Studio activities or Field practice/projects or Community engagement and service means two-hour engagements per week. Accordingly, in a semester of 15 weeks duration, one credit in these courses is equivalent to 30 hours of engagement.
- A course can have a combination of lecture credits, tutorial credits, and practicum credits.

Lab-based Subject

Theory-3 credits (45 Hours); Practical-2 credits (30x2=60 Hours); Tutorial-1 credit (15 Hours).

Non Lab-based Subject

Theory-4 credits (60 Hours); Tutorial-1 credit (15 Hours); Field Work-1 credit (30 Hours).

The following types of courses/activities constitute the programmes of study. Each of them will require a specific number of hours of teaching/guidance and laboratory / studio / workshop activities, field-based learning / projects, internships, and community engagement and service.

Duration of the Programme

The duration of the UG programme (Hnours/ Honours with research) is 4 years or 8 semesters. Students who desire to undergo a 3-year UG Programme will be allowed to exit after completion of the 3rd year. Students may be permitted to take a break from the study during the period of study but the total duration for completing the programme shall not exceed 7 years. The duration for Multidisciplinary UG Programme is 3 years.

SWAYAM Courses

SWAYAM Courses: The University may allow up to 20% of the total courses being offered in a particular program in a Semester through the online learning courses offered through SWAYAM platform subject to the following conditions:

- The course contents should be alike;
- The courses are not offered in the College;
- There is non-availability of suitable teaching staff to run the course in the College.

The University shall give the equivalent credit weightage to the student for the credits earned vide online learning credit courses through SWAYAM platform. However, the candidate will have to seek permission from the university, if he/she wants to replace regular class-teaching by Swayam course. Swayam courses will be allowed only for SEC, MDC and VAC but not for Major and Minor disciplines.

Mechanism for Computation of Work-load

The following mechanism shall be adopted for computation of work load.

- 1Credit = 1Theory period of one hour duration/week/semester;
- 1Credit = 1Tutorial period of one hour duration/week/semester;
- 1Credit = 1Practical period of two hours duration/week/semester;
- 1Credit = Internship of 1 week/semester.

Qualification Levels and Credit Requirements

For 4 year UG Honours/Honours with Research

| Levels | Qualification Title | Minimum Credit Requirements |
|---------|--|-----------------------------|
| Level 7 | Bachelor's Degree with Major in a discipline | 135 |
| Level 8 | Bachelor's Degree with Honours/Honours with research in a discipline | 180 |

For 3 year Multidisciplinary UG Program

Minimum Credit Requirement 125.

Course Registration

At the beginning of every Semester, all the students shall be required to register

for the Courses specified for that Semester of the Programme in the Office of the Controller of Examinations in the prescribed forms with payment of fees as prescribed by the University from time to time.

Post-admission Stipulations

- Colleges have the freedom to hold any number of tests and examinations of its own students. However, colleges will not hold any elimination/qualifying test in the midway for students admitted to the different Course of Studies.
- The evaluation and assessment pattern under CCFUP based on NEP 2020 will be regulated as per provisions of the regulation which will be in force at the time of the said examination. Any dispute regarding the above would be resolved by the relevant Examination rules and regulations set up by the University or by the Executive Council.
- It is expected that the semester examinations will be held every six months as per the academic calendar which will be duly intimated in advance by the University.

Foreign Nationals

The candidate (**Foreign Nationals**) will have to show “Original Copy” of Certificate of Madhyamik (or equivalent), Certificate of Higher Secondary (or equivalent) and original Passport (along with Student Visa) at the time of admission. **Foreign Nationals will have to pay the fees five times higher than the Indian Nationals.** Their papers must be duly endorsed by the local Embassies/Consulates/High Commissions, whichever is applicable and their visa period must cover the period required to complete the course.

College Transfer

Transfer of candidates from one affiliated college to another will be possible as per the provisions laid out in the regulation of NEP 2020 based CCFUP system which will be in force at the relevant time. However, in all cases such transfers will be effected after due approval of the application of the candidate concerned along with requisite non-refundable fees to the University administration without contravening the provisions of the Regulation in force. ***All applications for transfer have to be made to the University authority within 30 consecutive days of commencement of the relevant semester. The applications must also contain the attendance of the student in that semester.*** The University reserves the right to approve or reject such applications of transfer and it cannot be treated as a matter of right on behalf of the applicant concerned.

Re-admission

In case of discontinuation of Studies, the candidate concerned can be permitted only fresh admission with the issuance of new Registration (in cancellation of the earlier registration) after submission of an affidavit from a 1st class Judicial Magistrate that he/she has not taken admission under any other University/Institution in the intervening period. All such cases of fresh admission have to be preceded with the cancellation of earlier registration. For all such re-admission the provisions of this regulation in consonance with the Act and Statute of the University and the guidelines issued by the West Bengal Higher Education Council from time to time should be followed. However, after an exit at the end of the 3rd year after completion of stipulated 6 semesters mentioned in Table.1, the candidate will not have to re-register if he wants to complete the course within 7 years from the date of exit.

A candidate taking up Honours in a subject must have obtained

A minimum of 50% marks in the aggregate and 45% marks in the subject or related subject at the previous qualifying examination. In case of Music (Hons.) 45% marks in the aggregate and 45% marks in the subject Music in the previous qualifying examination

Or,

55% marks in the subject or related subject in the previous qualifying examination

Or,

50% marks in the aggregate when the candidate has not studied the subject in his/her previous qualifying examination provided all other clauses are satisfied

Candidates belonging to the Scheduled Caste or Scheduled tribe category must have obtained 40% marks in the aggregate and 40% marks in the subject/related subjects at the previous qualifying examination (10+2 level) for being eligible for admission in the Honours programme of study.

However, if in any Honours subject, the number of applications is so low that even the permitted intake of the college cannot be filled up, then the Principal/Teacher-in-charge may use his/her discretionary power to relax the minimum requirement criteria for admission in that particular subject. A written communication in that regard must reach the Registrar for consideration of that decision for final approval by the Vice Chancellor of the University and the decision will be communicated to the Dept. of Higher Education, Govt. of West Bengal.

Candidates from other Boards

1. Students, who have passed the Higher Secondary (10+2) examination or its equivalent from the All India Boards/Councils or State Boards/Councils including Open Schools and vocational studies, are eligible for study at the UG level.
2. Students who have passed the Higher Secondary (10+2) examination or its equivalent from the All India Boards/Councils (i.e. CBSE, ISC and National Institute of Open Schooling) are not required to submit the Migration Certificate for getting Registration under this University.
3. Any dispute regarding eligibility criteria would be resolved by the Equivalence Committee set up by the University or by the Executive Council in its absence.

Baba Saheb Ambedkar University to host multi-disciplinary workshop soon

SOUMITRA NANDI

KOLKATA: In a sincere bid to arouse curiosity about research right from the school level, Baba Saheb Ambedkar Education University (BSAEU) will be soon hosting a multi-disciplinary workshop at the school level. The BSAEU will collaborate with a school in the state for organising such a workshop on "Research Methodology" in which speakers from national, international as well as state level will be interacting with teachers so that they can sow the seeds of research among the students. BSAEU, as part of its outreach

programme, has joined hands with Kalinagar Mahavidyalaya at Sandeshkali in North 24 Parganas and is presently hosting a week-long online workshop on research methodology. National, international as well as state-level speakers have been addressing the faculty members and exchanging thoughts and ideas so that they can encourage the students in pursuit of research activities. The week-long workshop that started from June 21 will end on June 27. Interestingly, Kalinagar Mahavidyalaya is affiliated to the West Bengal State University, however BSAEU has gone

beyond jurisdictional barriers to encourage research. "The real essence of education lies in returning to the society and research is the best way to connect with the masses as it involves field work. So inquisitiveness in young minds about research needs to be drilled into their minds right from the school level," Soma Bandyopadhyay, Vice-Chancellor of BSAEU said. Biswajit Bala, HOD (head of department), Department of Teacher Education at BSAEU said that the themes that are being covered in the workshop include research in social science, application of statistical techniques in

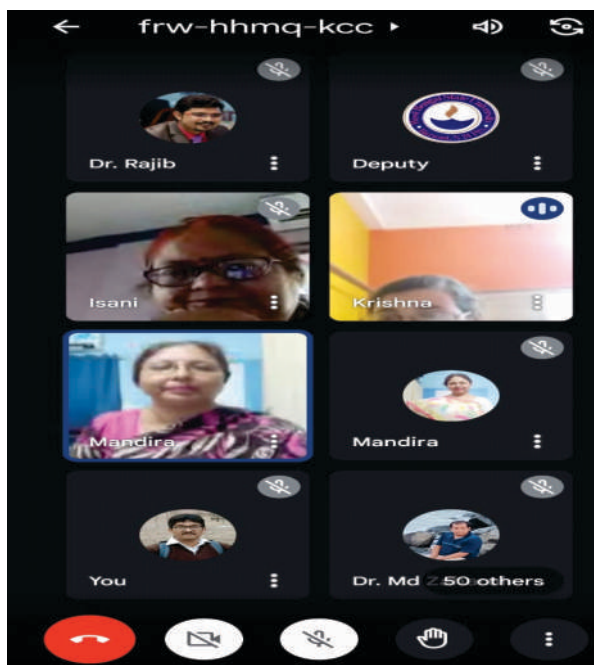

social science research, online resources in research, philosophical and historical research, citation and referencing tools, journal indexing, research in film studies, research in performing arts and methods of research in multi disciplinary approach. "We are grateful to the authorities of BSAEU as without their assistance it would have been difficult to host such a workshop at a grand scale," Ishani Ghosh, teacher in charge of Kalinagar Mahavidyalaya said. BSAEU is also planning to introduce scholarship for students interested in research pursuits.
