## About the College:

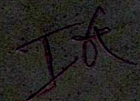

Kalinagar Mahavidyalaya established in the year 1985, only center of higher education located in the midst of the remote riverine rural topography of the Sandeshkhali Island of the Sundarbans inhabited mostly by population belonging to marginal communities. The experience of combating the threat of that global pandemic as elsewhere was a bit different for these islander students not familiar so long with the knitty gritties of the digital world. However fortunately college today has succeeded in producing digital savvy challenges resisting youth of today- the girl students from villages of the island dominating the academic scenario.

## About the Workshop:

Research is an integral part of higher education as well as all kinds of teaching and learning. Every higher institution should invest the most positive energy for enhancing the research attitude and efficiency of the researcher. This is the initial venture of Kalinagar Mahavidyalaya to provide opportunity to the aspiring researchers as well as to cater the needs of research supervisors. With a view to this, a One week international online workshop in research methodology is being organized schedule to be held from 21<sup>st</sup> June to 27<sup>th</sup> June, 2023 through online mode. Best efforts will be made to provide scope for interaction with the experienced scholars in research methodology of our country and abroad.

## Themes to be covered in the workshop:

- 1) Research in social science: A paradigm shift in New Challenges
- 2) Application in Statistical Techniques in Social Science Research
- 3) Online resources in research
- 4) Philosophical & Historical research
- 5) Citation and Referencing tools
- 6) Journal Indexing
- 7) Research in Film Studies
- 8) Research in Performing art
- 9) Methods of research in multi-Disciplinary approach

**A WEEK MULTI-DISCIPLINARY INTERNATIONAL WORKSHOP ON RESEARCH  
METHODOLOGY**

**Organized by :** IQAC and Research & Development Cell of Kalinagar Mahavidyalaya in collaboration with Baba Saheb Ambedkar Education University.

**Date :** 21.06.2023 to 27.06.2023

**Introduction:** Research methodology is the reasoning behind the approach to the research which systematically solve the research problem. Research in any discipline stands upon its scientific methodology. For its very vast dimension and time constraint we have tried to throw light upon social science and humanity only especially some common fields of social sciences. Research methodology in social science involves the systematic approaches to gather, analyze and interpret information and a scientific research methodology can produce a quality research work. It facilitates to solve the social problem which ultimately leads the nation development.

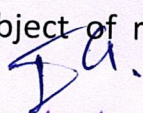

**Objectives:** The objectives as well as the broad topic of discussion of the workshop are as follows.

- 1) Purpose, scope and contain, feasibility of research work
- 2) Various aspects of research designing
- 3) Tools and techniques of research
- 4) Application of statistical technique, open access resources in research w
- 5) Paradigm shift in research and consequences.

**Description and key points:**

The programme has been started with the introductory speech of **Dr. Biswajit Bala**, Head, Department of Teacher Education, Baba Saheb Ambedkar Education University, Kolkata. Welcome address was delivered by Dr. Ishani Ghosh, Teacher-in Charge, Kalinagar Mahavidyalaya. Lastly, inaugural session was ended by the vote of thanks given by **Ms. Krishna Kundu**, Assistant Professor, Department of Education, Kalinagar Mahavidyalaya.

In the 2<sup>nd</sup> session of first day (21.06.2023) the speaker was **Prof.(Dr. C R K Murthy**, former Director, STRIDE. The topic was Developing a Research Design for Quality Research. According to him the entire research process is made of some integral key parameters eg. purpose of research, subject of research,

feasibility of research, designing the research process and utility of research outcomes.

In addition to this, he has thrown light upon the research techniques. According to him research techniques are comprised of the following factors.

- Define research tools
- Construct questionnaire
- Design experiments.

He pointed out the logical steps to develop a good questionnaire for the research. At last, Prof. Murthy also cautioned us about some potential sources of errors in research design.

The speakers of the rest six days and the summary of their speech are narrated below. **Dr. Kishore Mukherjee**, Associate Professor, Department of Physical Education, Union Christian Training College, Murshidabad, West Bengal. The topic was Arts and Science of Research Report. According to him the art of research report lies in crafting a compelling narrative that effectively communicates findings, while the science involves appropriate methodology, data analysis, application of statistics etc.

**Dr. Sharifuddin** Ahmed delivered his lecture regarding research methodology in humanities and use of archives. According to him historian's interaction with archives has been dominated by the need to identify the range of materials with in collections, to access relevant documents and to interpret their contents productively.

**Prof. S C Panda** highlighted the scope of review of literature in research work. According to him it helps the researchers to concrete the main theme, fill up the research gap, make clear the controversies in the literatures and set the appropriate objectives.

**Dr. Barnali Roy Choudhury**, Associate Professor of Library and Information Science, Netaji Subhas Open University opined in favour of Open Resource Access in research. She elaborately explained Plagiarism, misrepresentation of sources, citation manipulation, inaccurate citation, unethical citation practices, unfair credit distribution, use of predatory journals etc.

**Prof. Dr. Sudeshna Lahiri**, Head, Department of Education, University of Calcutta lectured about the quantitative research. She explained how the quality of research may be upgraded by applying mathematical formula, various statistical methods, hypothesis etc. with proper examples from different fields.

  
**Teacher-In-charge**  
**Kalinagar Mahavidyalaya**

**Prof. Maitrayee Dutta**, Department of Philosophy, Jadavpur University highlighted some unique philosophical methods like methodological naturalism, genealogical and socratic method etc. and their applications in research.

**Dr. Biswajit Das**, Assistant Professor in Geography, Manipur Central University explained the merits and demerits of regression analysis and correlation in social research.

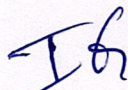

**Prof.(Dr.) Sruti Bandhopadhyay**, Department of Manipuri dance, Visva Bharati University propounded various research techniques in performing art. According to her, it is a form of qualitative research in the human studies that employs the premises, procedures and principles of the arts.

**Dr. Manpreet Singh Manna**, Vice Chancellor, Chandigarh University delivered lectures about the merits and necessity of MOOCs( Massive Open Online Course) in present education.

**Prof.(Dr.) Dipendranath Das**, Pro-Vice Chancellor, Jawaharlal Nehru University explained the role of census data in demographic research.

In the last day (27.06.23) after the valuable speech of all dignitary speakers, this international workshop was ended with the valedictory speech of Dr. Alauddin Mondal, Associate Professor, Department of Bengali, Assam University.

**Conclusion:** Speakers of different academic fields covering various aspects delivered their lectures in this international workshop which enriched the participants to a great extent. It is expected that the workshop will definitely be beneficial to design the curriculum of different disciplines in our country and abroad also.
