## REPORT OF WEBINAR

**Name of the Programme** : Values and Ethics in Education: Our role  
**Organized by** : Department of Education  
**Date** : 8<sup>th</sup> March, 2022

### Introduction :

Education is very important to all and it plays a major role to build a society. It is a process that makes one knowledgeable experienced. It makes an individual civilized, cultured and educated and is the ultimate way to get victory overall personal & social problems.

Swami Vivekananda said of Education : "*Education is the manifestation of perfection already in man*" it empowers human and gets them ready to face the challenges of life efficiently. It helps an individual to take better decision and enhance self confidence in tem.

### Objectives :

- To know about the values in education.
- To know about the ethics in education
- To know the role of different persons regarding values and ethics in society.

### Summary :

This programme organized by the department of education collaboration with NSS unit Kalinagar Mahavidyalaya dated on 12<sup>th</sup> January, 2023. Before starting of the speech by the hon'ble speaker Prof.(Dr.) Abhijit Kumar Pal, HOD, department of education, west Bengal state university, Sampa Adhya, Assistant Professor & HOD, in education inaugurated the first session and introduced the speaker and briefed on why chosen the topic values and ethics in education : our role at the present situation. After that she requested the Teacher-in-charge madam for welcome address.

Finally , the session was handover to the respected speaker and he discussed the topic with the power point presentation. This session was very informative and useful. After the discussion some question from students /participants were answered by the speaker. The session ended with the vote of thanks from IQAC coordinator Dr. Subhashis chatterjee.

### Outcomes :

**Understanding core values** : Students of Kalinagar Mahavidyalaya gained insights into identifying and fostering core values within the education system, recognizing their pivotal role in shaping the character.

**Ethical Decision – Making** : Dr. Abhijit Kumar Pal Sir elucidated practical approaches to ethical decision – making in education, empowering students navigate complex situations with integrity.

**Incorporating values is curriculum** : The session emphasized the integration of values into educational curricula ensuring the ethical considerations become an integral part of the learning experience.
