REPORT OF WEBINAR

Name of the Programme : A one day National Level Seminar on Relevance of peace education in the present context

Organized by : Department of Education

Date : 1st May, 2022

Introduction :

Peace education has become an inevitable part of education since it started to be defined as a skill for the 21st Century, It plays an important role in increasing socio-cultural awareness and creating a democratic learning environment for students. It is a remedial measure to protect children from falling into the ways of violence in society.

Objectives :

To equip individuals with the values, skills and attitudes they need to be wholesome persons who live in harmony with others and as responsible citizens. To draw out enrich deepen and peace in context students thinking about the concept of peace. To understand the way national security system work so they can begin to conceptualize alternatives to war that will keep the nation safer in the future.

Programme details :

On the 1st, 2022 a national seminar on the relevance of peace education in the present context was held via Google meet at 3:30 p.m.. Distinguished speaker including Prof. Abhijit Kumar Pal from west Bengal state university, Prof. Debasri Banerjee from university of Calcutta, Dr. Subhash Sarkar from Tripura University and swami Divyagunananda, the principal of ramkrishna mission in imphal, Manipur. The seminar aimed to explore the importance of peace education in today's world and its parental of foster harmony and understanding.

Outcomes :

1. Increased awareness about the significance of peace education in mitigating conflicts.
2. Understanding the role of educators in shaping a peaceful and inclusive learning environment.
3. Exploring practical approaches to integrate peace education into the existing curriculum.

By fostering an environment of shared knowledge and collaborative learning, this seminars aims to contribute to the ongoing discourse on the vital role of education in building a more peaceful and understanding society.
